Thank you for this information. I did ask for more in my original request:

I would like the starting date and pay of the maintenance person and if there has been a pay increase, I would also like the date and current pay.

Is it correct that the pay each one started at was for an advertised opening, with that pay being information provided to the applicants?

Also, I heard on the special town council meeting last week (I think) that Angie was to receive a \$1 raise starting July 1 (with another \$1 raise on January 1, 2020). Is this correct?

Thank you,
Christy

Please let me know what the employees hired by the current mayor were paid when they started, and all raises received including the months worked between each pay raise.

Please let me know what the pay was when the position was advertised for the jobs held by the

current employees.
