The request must identify the records the citizen is seeking "with reasonable specificity" as required by WV Code § 29B-1-3(d). The request must be specific enough for existing records to be identified and located. If a record does not exist, under FOIA, the Town is not required to create a new record.

The Town must respond to your request within five working days of receipt by either granting the request or giving written reasons for its denial. "Day One" is the day *after* the request is received. The five-day period does not include weekends or holidays.
