Subject: application for demolition permit

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Hello, Pat Morse:

I'm requesting a copy of the application for a demolition permit for the Weaver-Gillison House in the 900 block of Washington Street. Email is fine.

If you can't provide this with a simple request, please consider this a Freedom of Information Act request. (Different entities have different requirements for documents.)

Thank you.
