

Addendum Notification
Bid for Paving – Fall 2025 RFQ#202501

Addendum #1 – September 3, 2025

Notate in the bid response to the far right of each paving location, the size of patch used to prepare the bid for the location.

Addendum #2 – September 3, 2025

It is our intention to award one contract to pave all of the locations notated in both Section A and Section B together. If bidder would like to include a price for all of the work awarded together in addition to the pricing per section of the bid, the full pricing will be considered in addition to the individual sections.
